International Wing Chun Organization

31st December 2018

Dear IWCO Students,

First of all, let me thank all my students for your efforts in making IWCO a successful organisation and bringing it to where we are today. At the end of 2018, which marks the beginning of the third decade of the founding of IWCO, I'd like to share with you the directions I hope the organization can take over the next decade.

- Uphold the righteous spirit as martial artists to help the weak.
- Import our lineage of Wing Chun back to China.
- Spread our school to Asian countries.
- Organise world conferences of IWCO.
- Promote Chinese traditional culture.

Please join me in turning these aspirations into actual plans and actions. Without you, these are only slogans.

The organisation feels proud to have students like you who have dedicated themselves to excelling in the skills of Wing Chun and contributing to the development of Chinese martial arts.

I offer my best wishes and happiness to you and your families as we all move forward toward a successful year.

Yours sincerely,

Donald Mak
